TREASURE HUNT

Sat 21st - Mon 23rd October 2023

There are 20 screen-printed, cut out SHAPES of Native New Zealand Flora!

They can be found along Mill Rd, Commercial Road and the lower part of Garfield Rd along to the Grand Hotel on the corner.

HINTS: One of the SHAPES objects can be found in the window of the Arts Centre, another in the Helensville Primary School Hall, and one more at the Helensville Museum. You must write what sort of Native Flora these three are, all the others write only where you found them.

WRITE IN WHERE YOU FOUND EACH SHAPE (doesn't have to be in any order)
